Services Provided

Service	Included in Scope	Excluded	PRICE
Phase 1:Expo launch			
Expo Launch	• 1-Page "Coming Soon" Landing Page • Premium Hero Image & Brand Styling • Calendly Booking Integration • Live by [Expo Date]	• Full website launch prior to the expo. • Content writing for the landing page.	
Visual Identity	• 1 Primary text-based logo • Custom color palette (3-4 colors) • 2 Premium font/typography selections	• Brand strategy workshops / competitor audits. • Custom graphic design or illustration creation.	
Hosting, Domain & Software Setup	I register the domain, apply my agency licenses for Elementor/Motion, and host you on my Cloud Servers.	• DIY Route: You must handle your own server security, plugin updates, and USD license renewals annually.	\$395 AUD
Phase 2: Website Build			
Website Build	• Up to 5 Core Pages (Home, About, Services, Insights, Contact) • Implementation of "Luxury Aesthetic" via Elementor Pro • Mobile & Tablet responsive optimization	• Additional pages beyond the core 5. • E-commerce or complex client portals.	
UX & Functionality	• Native Elementor "Subtle Motion" (fade-ins, parallax) if	• Custom GSAP or bespoke Javascript animation.	

	you don't want the additional GSAP plugin. • Clean, conversion-focused layout (Sticky CTAs)	• Deep CRM automation or drip-campaign building.	
Content & SEO	• Implementation of sourced text/images • Basic site structure for SEO best practices	• Copywriting or proofreading (Must be provided final). • Keyword research or blog post writing.	
Revisions & Support	• Site Access • A reasonable amount of support and redesign	• Multiple redesigns or changing the core layout post-approval. • Ongoing monthly maintenance (Requires Retainer).	
Phase 3: GSAP Intro	• Animations, Hover effects, cursor circle, automated numbers. Sleek color effects	I will give it my best. GSAP intro is not easy and I can imagine you'd want iterations
